

Does your child know his ABC's?

It's easier to learn your Aleph Bet Gimels while you're young - it gets a lot tougher later on.

The ToTal Experience is a Sunday Hebrew school program that will teach your child to read Hebrew and much more in a unique, heartfelt, mind-opening way.

Our new classes begin this September. We have limited spaces available for children ages seven through 13.

Call us to enroll at:

ToTotal EDUCATION
is a series of Jewish educational programs steeped in the wisdom of the Torah and designed to provide cultural, historical and social enrichment to Jewish youngsters and their families.
